

GRIEVANCES REDRESSAL POLICY

Government College Bishrampur, since its establishment, has taken care of all the needs of its students. The institution is dedicated to provide favorable environment to students for their academic and moral development. For this purpose different committees have been constituted. Grievances of students and staffs must be sorted out within limited time. Grievances redressal cells of the institution must be devoted to not only accept the complaints from different stake holders but also to sort out their problems within limited time. The head of the institution, IQAC and different committees are to monitor the processing of grievances of students and staffs.
