Scholarship/Freeship policy

We are pleased to announce a comprehensive scholarship policy at Government College Bishrampur, aiming to promote inclusive education and support the aspirations of deserving students. The policy includes government scholarships for SC/ST/OBC, BPL, and minority students, ensuring equitable access to quality education. Additionally, we extend freeships to all female students and SC/ST students, encouraging female empowerment and bridging educational gaps. As an institution that values academic excellence, we proudly offer the Eklavya Scholarship, recognizing and rewarding the toppers for their outstanding achievements. Together, let us foster a nurturing environment where every student can thrive and reach their full potential.
