

Memorandum of Understanding (MoU)

Between

Government College Bishrampur, District-Surajpur, Chhattisgarh

And

Jain Factory Nawamper Girwarangone
Dist - Surajpur (C.G.)

This Memorandum of Understanding (MoU) is made and entered into on this / /
between **Government College Bishrampur**, having its address at Bishrampur, Surajpur,
Chhattisgarh, hereinafter referred to as the **Jain Factory**....., having its address at
Surajpur....., hereinafter referred to as the "Industry." **Nawamper**

Both parties agree to establish a collaborative framework to enhance academic and professional opportunities for students, faculty, and the industry.

Scope of Collaboration

1. Internships and On-the-Job Training (OJT) :

- Facilitate internships and practical training for students to develop skills aligned with industry requirements.
- Provide on-the-job training opportunities for students to gain hands-on experience in real-world scenarios.

2. Skill Development Programs:

- Conduct specialized training sessions, workshops, and certification courses for students to build industry-relevant competencies.
- Organize guest lectures, seminars, and interactive sessions by industry experts to bridge the gap between academics and professional practices.

3. Field Visits and Industry Exposure:

- Arrange for students and faculty to visit the industry premises for real-world exposure to operational processes and technologies.
- Enable the institution to organize field trips and observation sessions in coordination with the industry.

4. Placement Support:

- Assist in providing job placement opportunities for students by considering them for

relevant roles within the industry.

- Share insights on industry expectations and hiring trends to improve employability skills among students.

Roles and Responsibilities

Government College Bishrampur:

- Identify students who can benefit from the collaboration.
- Provide necessary academic and administrative support for joint activities.
- Ensure that students adhere to the terms and conditions specified by the industry during internships or training.

Industry:

- Offer practical exposure, facilities, and guidance for the agreed-upon activities.
- Design and execute training modules aligned with industry requirements.
- Provide feedback to the institution regarding student performance and skill gaps.

Terms and Conditions

1. This MoU will remain effective for a period of 3 years from the date of signing, subject to renewal by mutual consent.
2. The collaboration will be based on mutual respect, transparency, and shared benefits.
3. Both parties will appoint coordinators to oversee the implementation of activities under this MoU.
4. Any intellectual property or research outcomes arising from joint initiatives will be mutually agreed upon and detailed in a separate agreement.
5. Either party may terminate this MoU by providing 30 days written notice to the other party.
